SORRY TO TAKE UP YOUR TIME SO UNEXPECTEDLY.

No, it's alright.
Having back to back meetings is so tiring.

I NEEDED SOME TIME TO BREATHE.

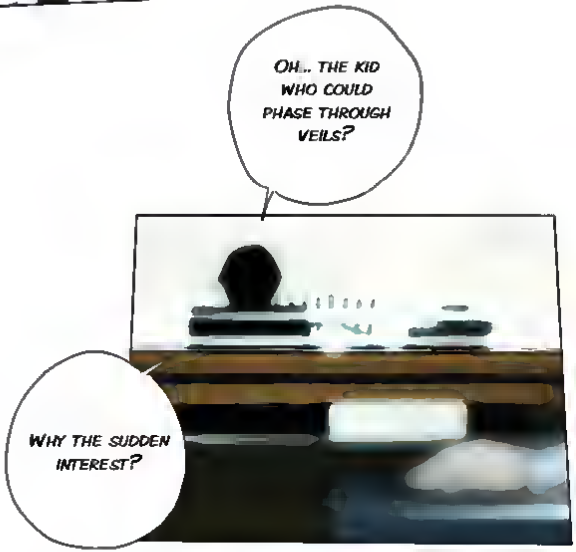
SO WHAT BRINGS YOU HERE? IT'S NOT EVERYDAY THAT YOU COME UP HERE TO REPORT.

SLOUCH

AH.. HEY. ARE YOU REALLY SURE IT'S OK FOR YOU TO SLOUCH LIKE THAT? YOU'RE GETTING YOUR SUIT WRINKLED.

LESS SUIT TALK, MORE REPORT.

IT'S ABOUT OUR LITTLE MISFIT. I'M RECRUITING HIM UNDER MY DIVISION.



OH... THE KID WHO COULD PHASE THROUGH VEILS?
WHY THE SUDDEN INTEREST?

THREE TIMOREM ENCOUNTERS AND HE STILL LIVES. REGARDLESS OF WHAT HE'S SEEN, HE STILL SEEMS MENTALLY SOUND.

RATHER THAN BE SO SUSPICIOUS OF THIS ODDITY I THINK IT WOULD BE BEST TO TAKE HIM IN AND UTILIZE HIS ABILITY. PLUS, IT WOULD BE A LITTLE CRUEL OF US TO LEAVE HIM TO HIS OWN DEVICES.

WELL... IT WILL TAKE SOME EFFORT TO GET THIS ACROSS THE ELDERS SINCE IT'S A LITTLE UNCONVENTIONAL.

But consider it done just to be clear though, you're going to be held completely responsible for him.

Even though this is YOU we're talking about, you'll potentially get hell for this decision.

But that's when you'll help me out a little right? Heheh.

But I'm kidding of course

With jokes aside, I've already accepted the responsibilities that comes with his contract. I'm also finished with the paperwork to get everything rolling.

PARIS ON THE OTHER HAND, WILL STILL NEED TO LEARN TO GET USED TO THE IDEA OF WORKING WITH HIM.

HE MAY BE OBEDIENT, BUT I STILL SEE HIS TEMPER SLIP EVERY NOW AND THEN

PARIS?

How is he?

He never comes by anymore. You're the only one I hear of him from and you don't drop by as often.

Well, I guess it's time for me to start heading over to my trainee.

Hey!

Even though you're Big Boss, I made this promise to Paris first that I would leave you be when you start asking about him
What kind of promise is that?
chuckles
He told me that he'd rather you put your time more into your work than to use it to talk about him considering your schedule.
Some kind of rebellious phase? Or is he being considerate?
I had better get down there anyway. Paris should be

MEETING UP WITH LEON RIGHT NOW, AND I CAN'T AFFORD TO HAVE HIM RIP THE NEWBIE TO SHREDS RIGHT NOW.

AND I MEAN THAT LITERALLY...

PAIN
PAIN
PAIN
PAIN
OH MY GOD.
MY BODY IS SO SORE.

I SHOULD HAVE JUST KEPT SLEEPING.

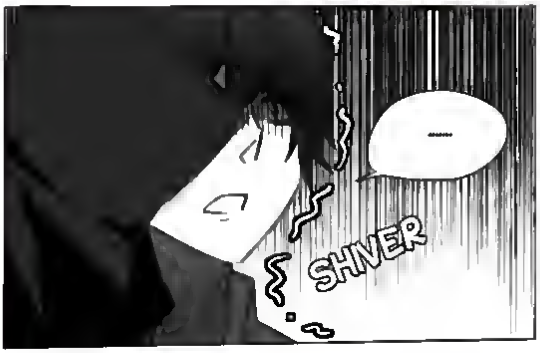
SMACK
WHY DID MY BODY DECIDE TO WAKE UP?
OOF!

CHANGE INTO THOSE. WE'RE GOING NOW THAT YOU'RE AWAKE.

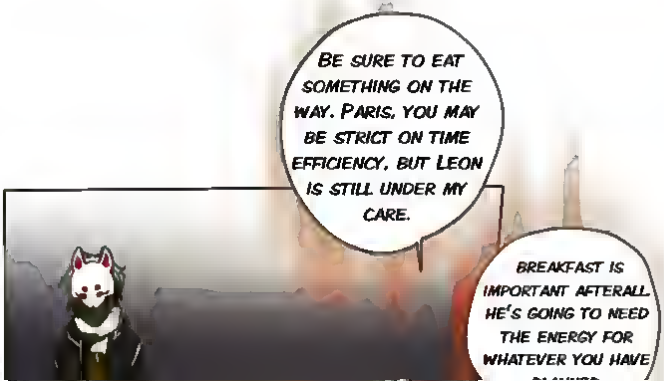
GOING? WHERE?

FALL
!

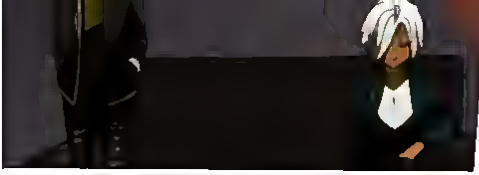
OH CRAP.
WHY DID I ASK HIM?
HE'S SO SCARY, I HOPE HE DOESN'T YELL AT ME.
...
ACK!



...
SHIVER



BE SURE TO EAT SOMETHING ON THE WAY. PARIS, YOU MAY BE STRICT ON TIME EFFICIENCY, BUT LEON IS STILL UNDER MY CARE.
BREAKFAST IS IMPORTANT AFTERALL. HE'S GOING TO NEED THE ENERGY FOR WHATEVER YOU HAVE



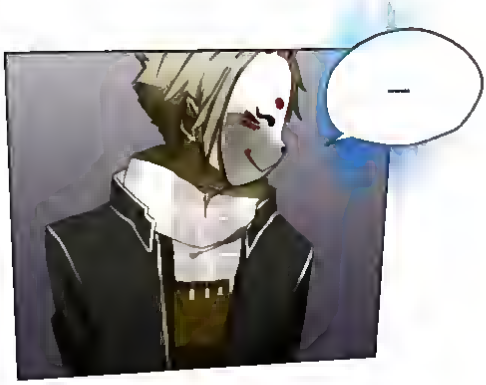
PLANNED.

BY THE WAY HAVE YOU EVEN WASHED THAT JACKET YET? IT SMELLS PRETTY DANK.

...DANK?
IS THAT ANY WAY FOR A DOCTOR TO TALK?
HM? IS THAT ANY WAY FOR YOU TO TALK TO ME?
I'VE STUDIED FOR MUCH LONGER THAN YOU THINK. I CAN TALK HOWEVER I WANT AT THIS POINT

—
HA HA..
IF YOU'RE GLARING AT ME UNDERNEATH THAT MASK, IT'S NOT WORKING.

TRY INTIMIDATING WITH YOUR ACTUAL FACE NEXT TIME.

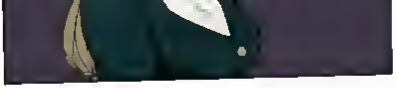


—

MUMBLE

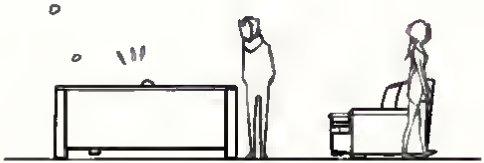
...Is this all there is to change in to?
We're headed straight to training.
Training?! Already?
Yeah, unless you're ok with being useless and always ending up stuck in a hospital bed like the past few chapters.
Hurry up and change into those.

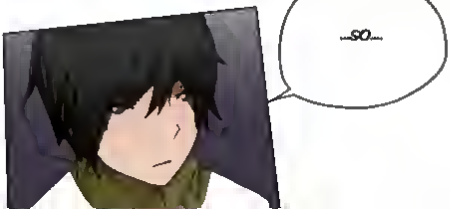
...OK
YOU DON'T HAVE TO BE SO BLUNT ABOUT IT...
DON'T BULLY HIM TOO MUCH PARIS.
IF YOU KEEP IT UP, HE'LL NEED THE



REMH ROOM TO RECOVER FROM YOUR PUSHY ATTITUDE MORE THAN ANYTHING.

WAIT! NO! IRIS! PLEASE DON'T LEAVE ME IN HERE WITH HIM ALONE!





...SO...

I'LL GET CHANGED AS SOON AS YOU LEAVE.

EVEN IF HE DOESN'T HAVE HIS SWORD ON HIM I STILL FEEL LIKE I'M GOING TO GET CUT UP BY HIM.

5 MINUTES.

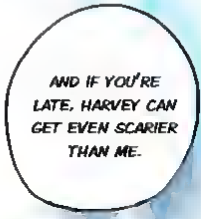
YOUR SHOES ARE ON THE FLOOR.

WHAT IS THIS?

I THINK YOU GOT MY SIZE WRONG...

COULD THIS BE ANY LESS OF A SHIRT?

IF YOU LAG BEHIND I WILL ABANDON YOU.



AND IF YOU'RE LATE, HARVEY CAN GET EVEN SCARIER THAN ME.
